# LearnerScript Fonctionnement

## 1. Vue étudiant

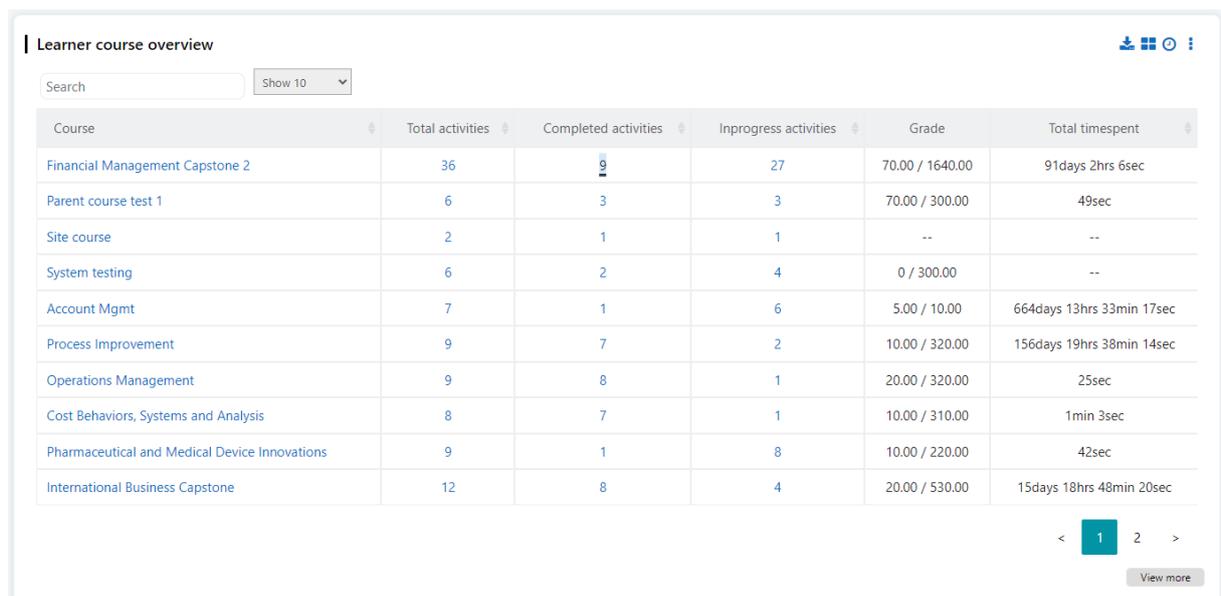

Le dashboard est composé de différents widgets qui affichent des représentations graphiques des rapports.

The dashboard provides a comprehensive overview of a student's progress. Key components include:

- My assignments:** Shows 32 assignments with 14 completions.
- My quizzes:** Shows 35 quizzes with 13 completions.
- Learner course overview:** A table listing courses and their progress metrics.
- User profile:** Displays personal information and overall course statistics.
- My quiz summary:** A table detailing quiz performance across different courses.
- My assignments:** A detailed view of individual assignment submissions.

Les widgets sont dynamiques et permettent d'afficher des boites d'informations complémentaires d'un simple clic.

## 2. Pour la vue formateur

Côté formateur, nous retrouvons la logique de dashboard, avec des widgets différents, qui permettent le suivi des formations.

The dashboard includes several widgets:

- Enrolled courses:** 9
- Site visits:** 3515
- Average time spent on LMS:** June 17, 2024
- Need Grading:** A table listing assignments for 'Financial Management Capstone 2' with due dates ranging from Monday, 20 July 2023 to Monday, 20 Aug 2023.
- No login courses:** A bar chart showing zero logins for all courses.
- Quiz summary:** A table with columns: Quiz, Course, Avg. grade of attempted learners, Pass grade, Max grade, Not attempted learners, In progress learners, Completed learners, Total attempts, No. complete graded first attempts, Total no. complete graded attempts, Avg. grade of first attempts, Avg. grade of all attempts, Avg. grade of highest graded attempts, Total timespent, and No. views.

Chaque widget permet d'accéder à des informations complémentaires. Par exemple, dans le widget « Quiz summary », toutes les informations relatives aux tentatives des apprenants sont disponibles :

Quiz	Course	Avg. grade of attempted learners	Pass grade	Max grade	Not attempted learners	In progress learners	Completed learners	Total attempts	No. complete graded first attempts	Total no. complete graded attempts	Avg. grade of first attempts	Avg. grade of all attempts	Avg. grade of highest graded attempts	Total timespent	No. views

Dans ce rapport, en fonction des observations, le formateur peut envoyer un message personnalisé :

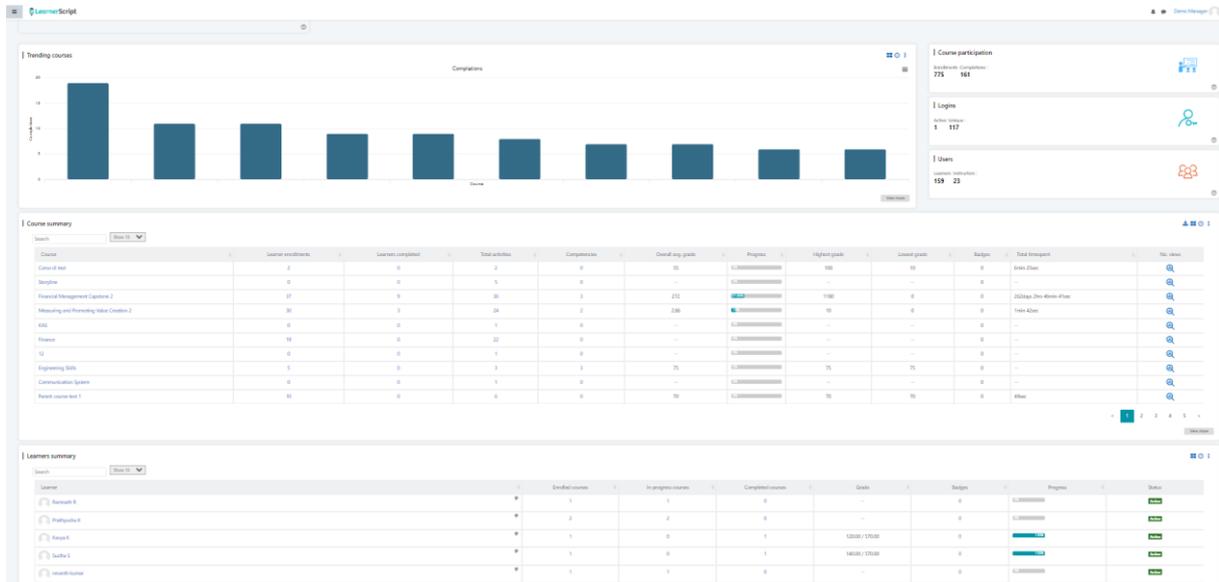

The screenshot shows a learner profile for 'Uma Nyalam' and 'Shriram R'. A 'Send Message' popup is displayed over the profile, containing the text: 'Mon message de suivi formateur peut être rédigé ici.' and a 'Submit' button. Below the profile, there is a progress indicator showing 'In progress' and a date 'Tuesday, 28 November'.

Les rapport permettent des affichages graphiques, comme ici, le rapport de participation aux forums disponibles dans les cours :

### 3. Côté gestionnaire

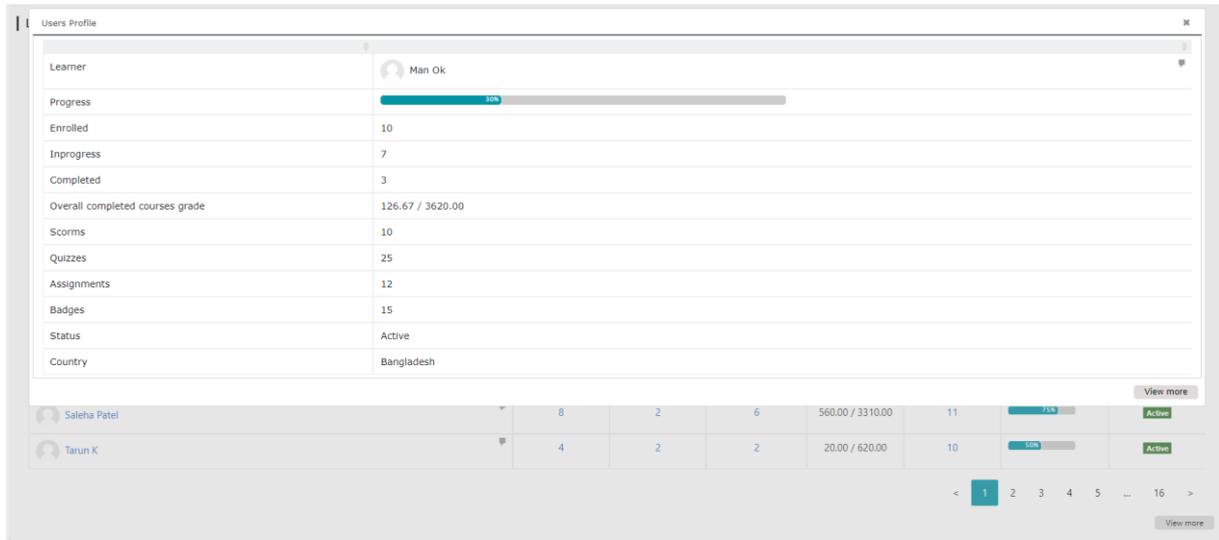

Le tableau est enrichi de widgets globaux sur l'utilisation de la plateforme. Chaque widget est interactif et dynamique comme dans les vues apprenants et formateurs.

Par exemple, le widget Summary permet d'afficher la progression de tous les apprenants de la plateforme :

Learner	Enrolled courses	In-progress courses	Completed courses	Grade	Badges	Progress	Status
